As President of the Hellenic Sports Federation of the Deaf, I am proud that once again Greece is the host country of such a great sporting event. The 14th European Deaf Tennis Championships, its time to start here in LBTA at Chersonissos. It is a great honor and joy that during a pandemic, Greece proves once again that it can be at the center of sporting events. Admittedly, last year for all humanity is a difficult time, where we are all called to show our best selves with prudence, patience and perseverance. This is how the idea was created and finally the implementation of the organization of the 14th European Deaf Tennis Championships. With respect to people, sports and public health, we are here to highlight the sporting ideal in difficult times, according to all protocols and safety measures regarding the new Sars-Cov-2. Warm thanks to all those who are our helpers and supporters. Good luck to the athletes. Chersonissos here we are!!!

HELLENIC REPUBLIC
MINISTRY OF CULTURE AND SPORT
GENERAL SECRETARIAT OF SPORT

LEFTERIS AVGENAKIS
UNDER SECRETARY OF MINISTRY OF CULTURE AND SPORTS

Athens, 19th of June 2021

I salute the conduct of the 14th European Deaf Tennis Championships for Men and Women that are taking place at Lyttos Beach Tennis Academy in Anissaras-Chersonisos.

I am welcoming all the athletes who are participating in this important European event, as well as the members of all the teams from 16 countries that we are hosting this week from 19-26 of June 2021.

At this very critical period where the world sports is tested from the pandemic crisis, it is encouraging to return to normal through the conducting of such great sports events. The conduct of this Championships is a great honor for our country and an opportunity to establish a solid place in the very appealing sport of tennis, especially after the recent success of Stefanos Tsitsipas and Maria Sakkari at Roland Garros. The way to the development of Greek tennis in the society is exceptional and this particular Championship is a great contribution for this effort.

We are developing even stronger bonds of cooperation with the Hellenic Sports Federation of the Deaf, which has already proven that can turn the distinctivenesses and the problems into new opportunities of social inclusion and equal participation through the participation in sports. We are aware that in such difficult conditions you are responding with great decency and success to all the challenges of this era.

Your participation at all sports events, your success at the sports events are a prime life lesson and hope for everyone. You are the true fighters of life and you can teach all of us the values of the continuous efforts, of the noble competition and the endless will for life, of continuous improvement and success!

It is a great commitment and priority to preserve the high standards and to reinforce all sports keeping the Olympic ideal alive. I am certain that the Organization will offer a beautiful spectacle, due to the exceptional efforts of the Organizing Committee and the remarkable participation of the athletes.

I congratulate the Organizing Committee and i wish every success to all the athletes.

With honour,
 Lefteris Avgenakis

ΠΕΡΙΦΕΡΕΙΑ ΚΡΗΤΗΣ
REGION OF CRETE

STAVROS ARNAOUTAKIS
REGIONAL GOVERNOR OF CRETE

For the Region of Crete "14th European Deaf Tennis Championship" is a great sporting event. A sporting event that cultivates and spreads the sports consciousness, the value of the race, when it is held in special conditions. 14th European Deaf Tennis Championship will highlight the principles and values that govern sports: respect, non-discrimination, friendship, solidarity, struggle and the struggle for life.
As Region of Crete, we are pleased to welcome the participating athletes, coaches and team escorts.

Good luck to everyone.

GIANNIS SEGKOS

We are very pleased to welcome a very special event, the 14th European Deaf Tennis Championship in the hospitable, multicultural and health-safe Municipality of Chersonissos. We are very pleased that another high level important sporting event that concentrates the interest of all tennis fans, takes place in one of the most famous tourist destinations in the country. At the same time, it is an honor for us to participate in events that give us the opportunity to highlight the sporting ideal along with the philosophy of acceptance and respect promoted by sports, values that are always inextricably linked to our tradition and our culture.

At a time when the need for offering and support to our fellow citizens is greater than ever, we support the concept of diversity in order to highlight the social benefits, to encourage the idea of a society of respect and acceptance. Finally, we dearly wish spectacular tennis matches to all athletes.
